

## TDC Academic Initiative 2008

### Goals:

- Initiate good study skills in freshmen.
- Promote an atmosphere conducive to studying within TDC.
- Establish continuing academic excellence throughout all four years at MIT.

#### ❖ Initiate good study skills in freshmen

- Establish brother office hours during which new members can come to get tutoring in freshman classes.
- (Host a study skills workshop at the beginning of each term)

#### ❖ Promote an atmosphere conducive to studying within TDC

- Maintain the existing study areas for effective use by brothers and new members.
- Hold weekly study breaks to allow brothers and new members a chance to socialize amidst their studying.

#### ❖ Establish continuing academic excellence throughout all four years at MIT

- Include GPA in points system to reinforce importance of good grades.
- Build strong relationship with an academic advisor who can aid brothers and new members in their academic pursuits (see Academic Advisor plan of action).
